

Aurora House Building Blitz

On May 8th during the 2nd Annual Starry Night Dinner Benefit, we kicked off our building blitz, called: “Piecing it Two-Gether, “with our Comm-UnIty”

The focus of this campaign is to raise the \$100,000 shortfall in our building fund by 7/31/09. This can only happen with teamwork between Aurora House and the Comm-UnIty

The **I** in Comm-UnIty is Aurora House, and Aurora House promises to deliver the start of construction for our home for the dying, if we can “two-gether” raise \$100,000.

The **U** in Comm-UnIty is all individuals, churches, service groups, schools and businesses. **U**, promise or pledge to get behind this building blitz by participating in as many Aurora House events as possible.

What exactly can “**U**” do?

Purchase a “Piece” of our home. Area businesses and churches are being asked to host a “piecing it two-gether” display. This display shows items we need for the construction phase, things like windows, doors, roofing, siding etc. **U** can select from the display one more of these items and commit to financially provide for that item and pay for it by 7/15/09.

What will “**I**” do?

“**I**” will note the names of all persons and the items they purchased during the “piecing it two-gether” campaign in a special program during open house as well as on a display in the house. There will also be a special open house for contributors of this campaign.

What else can “**U**” do?

Attend our Garage Sale 6/25-6/27

Be a Sponsor for our 1st Annual 5 Mile Race with Pace on 7/26

Purchase our Aurora House Cook Book

Direct Memorial Donations to Aurora House

Donate money into our Piecing it Two-gether display/collection box when you see them in the community

So please step up and help us out, so Two-Gether we can unite as one Comm-UnIty” to make this dream come true. We can’t do it without ”**U**”.
